

IN THE LOOP

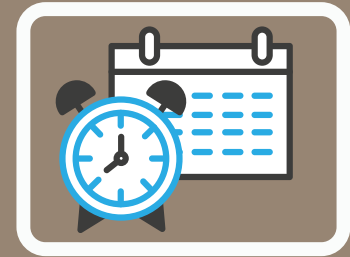

CITY OF ARCHDALE 307 BALFOUR DR, ARCHDALE NC 27263

WWW.ARCHDALE-NC.GOV

Join us for our 2nd annual **Flowers in the Park** at Creekside Park! Stop by any time during October to see the wonderful creations that the community has put together. All of the flowers are made from local artists and community members!

Schedule & Updates!

Time Change*

Don't forget to fall back one hour on Nov. 7th at 2:00 am!

Holiday Closings

City Hall will be closed:

- November 11th 2021 in observance of *Veteran's Day*.
- November 25th and 26th 2021 in observance of *Thanksgiving*.
- December 23th, 24th, and 27th 2021 in observance of *Christmas*.
- December 31, 2021 in observance of the *New Year*.

Please make a note of these closures.

Trash & Recycling

- Thanksgiving: Trash and recycling that would be picked up on Thursday, November 25th, will be picked up on Friday, November 26th.
- Christmas: There are no changes to the garbage and recycling schedule.
- New Year's Day: There are no changes to the garbage and recycling schedule.

Follow the City on Social Media & Spectrum Channel 8 for updates & news:

Loose Leaf Pick Up

The City of Archdale will begin loose leaf pick up on November 1st and go until March 5th. The leaf vacuum truck will make its way throughout the City to provide this service. Make sure loose leaves are placed near (but not in) the roadway and away from storm drains.

Limb & Brush

Limbs and brush are picked up the same week as your recycling. Place this debris at the curb by 7:00am on Monday of your recycling week. The City **WILL NOT** pick up limbs and/or brush left by hired tree services.

Bagged Yard Waste

Yard waste in clear/white bags will be picked up on Monday of each week. Place bags at the curb by 7:00am on Monday.

Recycling

Keep recycling, Archdale. Not only does recycling make sense for the environment, it can also be an effective strategy for lowering the cost of garbage disposal. Just remember that some things **CANNOT** be recycled such as plastic grocery bags, Styrofoam, and greasy pizza boxes. Please place these items in your blue garbage totter.

Fats, Oil, & Grease

What do bacon, ice cream, and peanut butter all have in common? They are more than just tasty treats. They are also sources of fats, oil, and grease (FOG). While fats, oil, and grease add extra flavor to our food, pouring FOG down the drain can create clogs in the sewer collection system. These blockages can back up sewage into your street, yard, or home! Think of it this way – If it can clog arteries in your body, then it can also clog sewer pipes.

Fortunately, clearing up FOG is as easy as doing a few simple things around the kitchen. Pour cold fats, oil, and grease into a covered, disposable container and throw it into your garbage. Never pour fats, oil, or grease down sink drains or toilets. And, use sink strainers to catch any remaining food waste while washing dishes. Together we can avoid sewer overflows.
